A Collect for Club Women

Keep us, oh God, from pettiness;
Let us be large in thought, in word, in deed.

Let us be done with fault-finding
And leave off self-seeking.

May we put away all pretense
And meet each other face to face,
Without self-pity and without prejudice.

May we never be hasty in judgment
And always generous.

Let us take time for all things;
Make us to grow calm, serene, gentle.

Teach us to put into action our better impulses,
Straight forward and unafraid.

Grant that we may realize it is
The little things that create differences,
That in the big things of life we are at one.

And may we strive to touch and to know
The great, common human heart of us all.

And oh Lord God, let us forget not
To be kind!

—Mary Stewart

Thank You, Ladies!

May I say “thank you” to all you ladies who were so co-operative when I pleaded for information? Without you, this project would not have been completed as quickly and thoroughly.

It has been my pleasure to work on this GFWC Texas Directory, and my hope is that you will use this as your guide in your GFWC/GFWC Texas activities.

GFWC Texas Members,

*A WORD
FROM
THE PRESIDENT*

Welcome to 2022-2024...It is my great honor and privilege to serve as State President for this administration. And I would like to start with a heartfelt "Thank You" for the support and encouragement you, the members of GFWC Texas, have shown me as I moved up during the preceding years. Teaching, guiding, and molding me along the way with your confidence and conviction that together we can accomplish amazing things.

So, guess what? Amazing things are happening here in Texas, and you are an important part of it all. As a matter of fact, "YOU", are the greatest thing about GFWC Texas. You, our members, are what drives the bus, keeping the wheels turning and our state federation moving forward. During this administration, our number one goal is to help you get back on track after the disruption of COVID-19 and to help your club achieve bigger, better things and to set new goals for reporting, membership, fundraising, leadership, and fun. So let's see what all the BUZZ is about.

With training, training, and more training; via summer workshops, at fall boards (both state and district) we hope to help revitalize our clubs and, will be increasing our communication with members by launching a whole new website where you can find everything you need to make your club experience better. From membership and leadership tool kits, to fun activities and worthwhile projects; from all the forms and information you need to make your reporting easy, to news about upcoming events around the state and in your own district; you will be able to find all this and much more on the state website. Plus, you will be kept informed of all the fun things happening within the state and beyond via the GFWC Texas Facebook page, be sure to "LIKE" us and let us know when you have something you would like to share to the page.

The State President's Special Project for this term is the protection of our pollinators...bees, butterflies, dragonflies, hummingbirds and even bats. Any insect, bird or mammal who assists in the pollination of our food, either directly or otherwise, will be the focus for this term, and anything that your club does to help our pollination populations will be recordable under both the Environment CSP as well as the President's Special Project. Visit an apiary (bee farm), purchase honeybees through Heifer International, build a bat box (bats really are our friends....not only do they pollinate some species of fruit, but they also eat mosquitoes and other harmful insects....Win! Win!) Or, have a "Honey Tasting" event to introduce your members to all the unusual flavors and types of honey and learn just how long honey has been around sweetening up things for humans. Read and then donate books about Bees/Pollinators to the local libraries. As many different pollinators as there are you should not have any trouble finding something to report about..

Yours in Federation

GENERAL FEDERATION of WOMEN'S CLUBS

Dear Fellow Members,

Welcome to the 2022-2024 GFWC Administration. I am humbled and honored to serve as your 54th GFWC International President. Please join me in embracing the leadership and service opportunities that will be ours over the next two years.

Your state publications and the GFWC Club Manual will play an essential role in the success of your programs and projects as they are wonderful tools and resources for you and your clubs. Be sure to network and call upon your state leadership when needed! They are there for you and want nothing more than for your club to flourish and grow.

The 2020-2022 Administration taught us many valuable lessons. What was the most notable? NOTHING stops a GFWC Clubwoman!

In preparing for this administration, my hope for GFWC is to continue strengthening the many facets of membership, leadership, and communications necessary to ensure the future and sustainability of this organization.

I also wish to thank you, our dedicated GFWC members, for continuing the vital work of our volunteers in local clubs and communities. Always remember every gift you share as a member of GFWC has tremendous value and significance.

The common bond of compassion, service, and philanthropy connects us all, no matter how young or old we are and no matter where we live. Through the giving and sharing of GFWC, we discover its true reward.

So together, let's Dream Big...Sparkle More...and we will indeed Shine Bright, for the Federation's greatest gifts are all of YOU, the timeless, priceless members of GFWC!

Continue *Living the Volunteer Spirit*.

Mrs. Percy V. Pennybacker

The only president of the General Federation of Women's Clubs to hale from Texas. 1912-1916

TFWC DISTRICT PAST PRESIDENTS

1902-1960

Texas Federation of Women's Clubs was founded in 1897, joined GFWC in 1899 and by 1902 had devised a system whereby all of the clubs in the great state of Texas could be fairly represented. The state was divided into five districts and each of the five had its own governing body with district presidents serving as Vice Presidents of TFWC.

As the organization grew so did the need for more districts. In 1915 a sixth district was added, followed by a seventh in 1923. With this addition the district presidents no longer served as Vice Presidents of TFWC, but remained members of the Board of Directors.

An eighth district was added in 1936 and in 1960 the state was realigned to include 14 districts bearing the names Alamo, Capitol, Caprock, Heart of Texas, Key, Magnolia, Mesquite, Pioneer, San Jacinto, Santa Rosa, South Texas, Top of Texas, Trinity, and Western.

With the dissolving of Heart of Texas and Santa Rosa Districts in 2004 and 2006, the number of districts in Texas dropped to twelve. A complete listing of district presidents serving after 1960 can be found in the individual district directory pages.

ALAMO DISTRICT PRESIDENT'S
SPECIAL PROJECT

Volunteers—The Heart of a Community

A community could not prosper or exist if it was not for the work and dedication of their volunteers, the community's heart. There are many opportunities available for individuals to serve their community, such as placing small flags on gravesites during Memorial Day, tutoring children and/or adults to read, adopting a section of a highway, helping repair or build homes. The list of community needs is endless.

CAPITOL DISTRICT PRESIDENT'S SPECIAL PROJECT

Local History Museums and Historical Societies.

This district president's theme is drawn from the GFWC Women's History and Resource Center, which focuses on the historical importance of GFWC women's achievements. This special project both broadens and narrows that focus. Broadens in that club projects need not focus on women's achievements, but on community history in general; and narrows in that club projects might support their local historical organizations through helping to research topics special to their own communities. I encourage researching clubs and women active in their own communities, in an effort to engender community pride and more volunteerism.

If we study and understand yesterday, we can make better decisions today and work toward a healthier tomorrow.

**CAPROCK DISTRICT
PRESIDENT'S MESSAGE**

Caprock District is hanging on by a thread. We are dwindling in the number of members and in number of clubs, but we have a strong heritage, a history of people who came to our area and survived because of their "True Grit", and a commitment to our communities and country. Today, we strive to help our towns and area as well as support the strong American heritage that makes our country great. Through our clubs, we study our past, our history, to appreciate those that came before us. In the present, Caprock District members and clubs work to help those in our communities that need our help. We strive to help the future through our efforts today. Our clubs have a strong commitment to education and our club scholarships, which have existed for many years, continue to help young people in our communities continue their education. All of the Caprock District clubs give scholarships each year and Caprock gave two district scholarships last year. As a district, we contribute to an organization called Open Door that helps the homeless and victims of sex trafficking. We have been a friend to this very worthwhile group for many years, and will continue to do all we can to aid this organization. Our district supports Honor flight and individual clubs in our district have various groups that they support. Every club in Caprock supports their community's backpack program which provides food for students who often go hungry on days that school does not meet. The Caprock District clubs are working to stay vital and to continue to survive. Efforts are being made to increase our numbers and to hang on as long as we can. We are important to our communities and our members continue to contribute, learn, and grow through our clubs and our affiliation with GFWC and GFWC Texas.

MAGNOLIA DISTRICT PRESIDENT'S SPECIAL PROJECT

Wreaths Across America

Wreaths Across America is the Magnolia District President's special project for 2022. This project is a wonderful way for our district to collectively make an impact on our communities. With the current unrest both nationally and globally, it is time to REMEMBER our fallen US Veterans, HONOR those who serve, and TEACH our children the value of freedom.

As former President, Ronald Reagan said, "Freedom is never more than one generation away from extinction. We didn't pass it on to our children in the bloodstream. The only way they can inherit the freedom we have known is if we fight for it, protect it, defend it, and then hand it to them with the well fought lessons of how they in their lifetime must do the same. And if you and I don't do this, then you and I may well spend our sunset years telling our children and our children's children what it once was like in America when men were free." – 1961

I am asking each club to participate in this Wreaths Across America project. All the information needed is available at <https://www.wreathsasscrossamerica.org/>. Wreaths Across America Day is Saturday, December 17, 2022. Your club will earn \$5 for every \$15 wreath sold. It is a tangible opportunity to Remember, Honor and Teach and earn funds to use locally in a worthwhile way.

The Pioneer Woman statue is located at Texas Woman's University, Denton, Texas and was designed by Leo Friedlander. The statue was dedicated in 1938 for the centennial of Texas independence and was given by the state of Texas to TWU.

**PIONEER DISTRICT PRESIDENT'S
SPECIAL PROJECT**

The goal of the GFWC Signature Program: Domestic and Sexual Violence and Prevention is to increase awareness of and help prevent the widespread occurrence of domestic abuse in communities across the Nation.

As a former teacher of young children, I feel that domestic abuse observed and/or experienced in the home is a cause of behavior issues being seen more frequently in the classroom. Research teaches us that children model responses to stress in ways they have experienced in their short lives. Classroom behavior issues not only inhibit academic learning when one does not feel safe, but also strongly affects the social development and trust of all of the children involved.

With no doubt, the recent stress from the Covid pandemic has increased the number of domestic violence cases reported. This, in turn, has increased the need for community support for domestic violence shelters.

The Pioneer District Special Project for 2022-2024 is for district clubs to adopt a domestic violence shelter in their community and to conduct projects to support them in their efforts to assist the victims they serve. Suggested projects are to collect items specifically needed by the shelter such as paper goods, canned items, toiletries, clothing, and other items that we use on a daily basis. Clubs might even consider donating new pajamas or socks and underwear for children and adults. Games, school supplies, stuffed animals, books, and even "Birthday Bags" that contain a cake mix, birthday cake decorations, balloons, and birthday hats to enable the shelter to celebrate a child's birthday are items that could help make a child feel more normal while living in a shelter. A project that raises money to donate to the shelter to help cover their expenses would also be very beneficial.

PRESIDENT'S SPECIAL PROJECT**

Community Awareness of

Mental Health and Dementia

As Mental Health and Dementia increase each year, we must help to remove the stigma through community education. As the numbers continue to grow each year we need to learn more about each of these. Please see www.brainandlife.org/Disorders/dementia/organizations and www.mhanational.org.

With knowledge, we can make better decisions about types of care, financial expenses, navigate through the bureaucracy, medical policies for help and medical advancements. Help others to understand the difficulties families face. Many of us have been touched by dementia and mental health personally, or by a family member or a close friend.

WESTERN DISTRICT PRESIDENT'S SPECIAL PROJECT

Recycling is a pet project of mine. The landfills of our country are overflowing. I encourage everyone to recycle all that is possible—plastic, cardboard, newspaper, aluminum, metals, tin cans. Please use the recycle centers to the fullest extent.

And please don't litter!
 Help Keep America Beautiful.

Heart of Texas District Remembered

Because its members were unable to fill the leadership positions within the district, *Heart of Texas District* dissolved in 2004 and each remaining club was invited to affiliate with other districts. Three of those clubs, the DeLeon Shakespeare Club, the Literary and Service Club of Winters, and the Twentieth Century Club of Cisco chose to move their TFWC memberships to *Mesquite District*.

The Heritage Club of Comanche and the Comanche Study Club chose to join *Pioneer District*. Ozona Woman's League, San Angelo Woman's Forum, and the Wimodausis Club of Sterling City now call *Western District* home.

We do not wish to lose sight of the many contributions made by the women of *Heart of Texas*. Below you will find the listings of their past presidents and their administrations.

If something about your relationship makes you afraid, break your silence and make the call that has helped thousands of Texans get safe. Abuse is never okay. You don't have to be silent. You're not alone.

Tribute to Santa Rosa District

Regrettably in 2006 Santa Rosa District disbanded due to the difficulty in securing leaders at the district level. They have long been a successful part of our Texas Federation. Several clubs have chosen to continue their affiliation with GFWC and TFWC by joining two other districts within the state.

The Adelpian Club of Crowell has become a member of Mesquite District and hopefully will continue its sponsorship of the Adelpian Juniorette Club. The Burkburnett Study Club of Burkburnett, The Amity Study Club and the Twenty-three Study Club of Iowa Park, and the Women's Forum of Wichita Falls have moved their memberships to Pioneer District.

We would be remiss if we did not acknowledge the many years of service invested by the women of Santa Rosa. They will be missed.

GFWC LEADS (Leadership Education And Development Seminar)

OBJECTIVE:

To identify GFWC members who have the potential to assume leadership positions beyond the club level and provide them with the skills, confidence and commitment to become future Federation leaders.

Leadership is the key to building membership, preserving organizational continuity, enhancing image and identity, and maintaining sound fiscal policies. The GFWC Leadership Education And Development Seminar (LEADS) is designed to develop, nurture and sustain a broad and deep pool of capable GFWC leaders well into the future. The program was initiated in 2002 for the purpose of finding, training and encouraging clubwomen at the grassroots level to step up, pursue and accept leadership opportunities at all levels of Federation.

"The LEADS program is an invaluable benefit of belonging to GFWC. The exchange of ideas among participants and the camaraderie that developed was contagious....Now if you ask any of the LEADS participants to serve in a leadership role, you will hear an enthusiastic YES."

Maryland LEADS participant

LEADS is held once a year on the day before the official opening of the GFWC Annual International Convention. It is a full day (8 am-5pm) of activities, including breakfast and lunch. The LEADS agenda may include:

- Presentations on conflict resolution and mediation; public speaking; time management; parliamentary procedure
- Explanations of GFWC resources, programs, materials, assistance
- Discussions on GFWC policies, protocol, parliamentary law
- Tips and techniques for pursuing leadership opportunities

"The LEADS program inspired me to be more powerful and it breathed fresh life into me. I am more confident, enthusiastic and energized about serving my club and state federation than ever before."

Ohio LEADS participant

Each state federation is responsible for: promoting LEADS, distributing and soliciting applications from interested members, establishing a selection process based on standard criteria, and selecting one participant to represent the state. Participant information is forwarded to GFWC Headquarters by March 1.

TO APPLY: Copy and submit to the GFWC LEADS representative the LEADS Application Form found on the **reverse side** of this page.

State federations may consider underwriting a portion of attendees' expenses. Participants are asked to be responsible for a portion of their expenses as an affirmation of their personal commitment.
