Donations are coming in as members across the nation commit to supporting our National Historic Landmark. Gifts to Headquarters will go to the GFWC Headquarters Façade Restoration and Beautification Project to restore the iconic white, front-facing exterior walls of GFWC's beloved Headquarters buildings. Over time, the brick and stonework have deteriorated and need major repairs. This restoration will not only enhance the beauty of our Headquarters, but it will also protect the historic interior spaces and collections and secure the buildings' long-term structural integrity.
